Working under the guidance of your church leadership, take on a discipleship ministry with either an individual or a group in the church or community at large (not your family). Put your goals, methods, and time frame (1-3 months in duration) into writing and submit it to me via email at keruxpine@yahoo.com asap. I will approve it for the purposes of our class, and then require a detailed report on your work in which you evaluate goal achievement, methodology, and problem-solving through the course of your ministry. This report is due when you turn in your final exam. Bi-weekly progress reports are required in class.

**PAPER – 20%**

Write a 2000 word essay dealing with one of the following topics (due on first day of class):

- Bringing children up in the nurture and admonition of the Lord
- Critique the “mentorship” model of discipleship as currently practiced
- Jesus’ strategy for growing the Twelve outlined and explained
- Missions: Training national believers for independent leadership

Style is to be in conformity with the latest version of Turabian, *A Manual for Writers*.

**FINAL EXAM – 20%**

The Final will cover lecture material only. You must take it within 2 weeks of the conclusion of the class, in the presence of a proctor, and submit it to me for grading.
